Use of information

The Chelmsford Ballet Company is aware of its obligation under the GDPR (General Data Protection Regulation). The company would like to use the most efficient means of contact. The email addresses are used to send a wide variety of information regarding auditions, workshops, classes and other events. We also ask for personal details from members that is essential for the Company to have; such as medical conditions and date of birth.

This information is retained by the Membership Secretary and used, for example, to automatically upgrade from junior to general membership and for submission of licence applications. Access to this material is limited to those who need to know e.g. those organising chaperone duties and other age-related activities. Medical conditions are available to First Aiders and Duty Members for the correct execution of their duties. This information is not passed to third parties to be used for marketing purposes, although The Company would like to use this information to send details of other dance related opportunities that might be of interest to its members. The information is shared with Essex County Council where a Body of Persons Licence is required for performances. Permission is sought for this transmission of data on the show application form. Under the regulations a member can ask for this information to be removed from our records. However, this would make it impossible to communicate about a variety of things or for a licence to be sought and therefore preclude a member's participation in any performance or other activity. Protection applies to both physical and electronic data. Physical data exists only in emergency contact lists and in copies of licence applications. Electronic data is password protected.
